

Mindbridge Foundation Game Library

The purpose of the Game Library is to create a resource of games and game information for Mindbridge members. This library resource is currently made available at each of Mindbridge Foundation's three major projects: ICON Science Fiction Convention, AnimeIowa, and Gamicon Game Fair and is available for rental to other individuals and organizations. The Game Library committee irregularly meets for a 1/2 hour business meeting, and a game library playtest and review. If you would like to be a part of this committee, assist with implementation of a website, newsletter, or work with game companies to acquire donations for the library, please contact us for more information.

DUNGEON RUN		
FACTS IN FIVE		

Game Checkout

To borrow a game from the library, request the game you would like to use at the Library desk at the event which you are attending. The attendant will find the game and will mark your badge number on the checkout sheet. If you would like to take the game to another room, you will need to provide some item of value (ID, keys, etc.) as collateral, which the attendant will keep until you return the game. You will be asked for a time that you intend to return the game. Please be considerate and return the game in a timely manner so that others may also use it. Games are due before the end of the day they are checked out. When you return the game, the attendant will review the game with you for missing pieces or damage, and if the game is in satisfactory condition, we will return your collateral item and mark the game as returned. Games returned in unsatisfactory condition may be subject to fines or replacement fees, as determined by the attendant.

Library Rental

Library Tubs can be rented for \$25 each. 6 tubs of games are available. Event/Individual is responsible for insuring that all games are returned in satisfactory condition and may be subject to fines or replacement fees for any lost, missing or damaged games. Transportation to and from the event and availability of attendant is negotiable.

Requested Donations

At this point, the Game Library is accepting only "Pick-up-and-play" games in good condition. We are not currently accepting RPGs, rulebooks, Collectible card collections, or video/computer games. (Some exceptions apply, please contact us if you have questions.) Below is a list of some of the games that we would like to add to the Game Library. Please contact us if you have one of these games to donate, or if you have a game to donate that you feel would be an asset to the Library. Donations may be sold to raise money for other games for the library.

Castle Panic • Dixit • Fish Cook • Kingsburg • Legendary • Race for the Galaxy • Takenoko • Tsuru • Zombie Dice
